GLYPH OF STURLA

(REVIVE)

TEMPORARY GLYPH

One at a time, roll the 20-sided die for each figure destroyed in this battle (yours, your teammates' and your opponents'). If you roll a 19 or 20, place the figure in any starting zone of your choice. If you roll 1 through 18, the figure remains destroyed.

See Heroscape.com for scenarios using this glyph. You can also use this glyph with scenarios you create.

Keep this card handy as a reference for the Glyph of Sturla's power.
