

RING OF PROTECTION

(DEFENSE +3)

TEMPORARY TREASURE GLYPH

This figure may use this ring after an opponent has rolled attack dice for a normal or special attack against it, and before rolling defense dice. When rolling defense dice against that attack, this figure adds 3 additional dice.

Keep this card handy as a reference for the Ring of Protection treasure glyph.

Rules for Treasure Glyphs can be found in the Heroscape D&D Master Set: Battle for the Underdark. Or go to www.heroscape.com.
