

MOHICAN RIVER TRIBE AQUILLA

BATTLE FURY

If a Mohican River Tribesman is engaged, add 1 to his attack dice and 2 to his defense dice.

WAR CRY

After taking a turn with the Mohican River Tribe, if at least two Mohican River Tribesmen you control are engaged, you may immediately take a turn with one Unique Tribesman Hero you control.

CONCEALMENT 19

If a Mohican River Tribesman you control is targeted and receives one or more wounds from an attacking figure who is not adjacent, you must roll the 20-sided die. Count the minimum number of spaces between the attacker and the Mohican River Tribesman. Add this number to your die roll. If you roll a 19 or higher, ignore any wounds the Mohican River Tribesman just received.
