

MOLTENCLAW

UTGAR

BURNING BREATH SPECIAL ATTACK

Range 4 + Special. Attack 4.

Choose a figure to attack. You may also choose 4 spaces in a straight line from the targeted figure. All figures on those spaces that are within line of sight of Moltenclaw are affected by Burning Breath Special Attack. Roll attack dice once for all affected figures. Each figure rolls defense dice separately. Moltenclaw is not affected by Burning Breath Special Attack.

LAVA RESISTANT

Moltenclaw never rolls for molten lava damage or lava field damage, and he does not have to stop on molten lava spaces.

FLYING

When counting spaces for Moltenclaw's movement, ignore elevations. Moltenclaw may fly over water without stopping, pass over figures without becoming engaged, and fly over obstacles such as ruins. If Moltenclaw is engaged when he starts to fly, he will take any leaving engagement attacks.
