ASCEND 4

Instead of moving normally, a Wildwood Runner may move one space. That space may be up to 4 levels higher.

VIGOROUS GROWTH

At the start of each round, before you place Order Markers, if you have not used a Vigorous Growth power this round, you may destroy one Wildwood Runner that was not placed this round and replace it with one of your previously destroyed medium Wildwood Heroes. Remove all wound markers from that Hero's Army Card.
